PROVIDING A WORLD OF EXPERIENCE TO BUSINESSES LARGE & SMALL

Strategic Information Management

The "Strategic Plan" of an organization is a composite, systematic blueprint of managements answers to two basic questions, "What objectives do we want to achieve?" and "How are we going to manage the organization's activities so as to achieve the chosen objectives?" Strategic Management Concepts and Cases 1984. Power Find will help develop a plan, organize your information and optimize your planning that can facilitate a more actionable strategy.
